

Events at The Fleur-de-Lys Mansion

We are pleased you are considering The Fleur-de-Lys Mansion for your upcoming event. Our intention is to make your experience with us one of pleasant confidence and enjoyment. We are committed to providing an experience that exceeds expectations for luxury & superior service.

The facilities dedicated for events consist of two dining rooms, the Parlor, the Library and our garden patio. Our Main Dining Room can elegantly seat up to 10, our Parkside Dining Room can seat up to 14. Other tables can be provided for a maximum number of 30 people. Our garden patio can seat 16 at patio tables.

These spaces may be rented between noon and 2:30 p.m. for \$350 plus tax, which includes use of the kitchen for prep/warming of food and both dining rooms arranged to fit your needs. Each table will have a tablecloth, if needed. The library and parlor both have space for game playing/gift opening if needed.

You are welcome to provide food for your event* or can use the caterer we have worked with in the past – Russo's Catering.

* If you wish to provide your own food for your event at the Fleur-de-Lys Mansion, we ask that you follow some guidelines. As said in the event contract, all spaces used during the event must be cleaned up and put back how they were found upon arrival. The kitchen may be used for warming, last minute cooking/assembly, and plating. For easy cleanup, we ask that place settings and glassware be provided by the host and either thrown away after the event (paper products) or taken and cleaned elsewhere. Because we are first and foremost a B&B, most events last until the end of the allotted time frame, leaving little time for heavy cleanup, like scrubbing dishes. Our check in begins at 3:00pm so the Mansion must be cleaned up, empty, and ready by that time. We can arrange for items to be dropped off prior to the event date if convenient for the host. We appreciate your cooperation and understanding.

Each event at The Fleur-de-Lys Mansion, regardless of the reason or occasion, brings to life the highest standards of gracious service. We look forward to being a part of your special event.
